1. The tariff is valid from June 12, 2025, throughout the territory of Ukraine, except for: the Joint Forces Operation zone, areas of military action (regardless of whether war is officially declared or not), regions where terrorist acts occurred and/or anti-terrorist operations are ongoing, temporarily occupied territories, and settlements where Ukrainian state authorities are temporarily not exercising their powers, in accordance with the list established by the Cabinet of Ministers of Ukraine; and the Autonomous Republic of Crimea.

2. The tariff is indicated in a foreign currency, namely EUR, including VAT per piece, and is converted at the NBU (National Bank of Ukraine) exchange rate on the date the international express waybill (hereinafter – MEW) is created.

7. The delivery cost is calculated based on the greater of the actual or volumetric weight of the shipment. The shipment weight is rounded upwards, for pieces up to 30 kg – to the nearest value in the table; for pieces over 30 kg – to the next full kilogram. Maximum allowable dimensions: length – up to 120 cm, width – up to 80 cm, height – up to 69 cm. Maximum shipment weight – 68 kg. Maximum number of pieces per shipment – 1 piece.
