Prohibited Shipments

Important International Shipping Conditions

Prohibited goods are defined as any international express shipment, or any part thereof, containing items whose transportation, handling, export, or import is prohibited or restricted by any applicable law, regulation, convention, or governmental authority in the country of origin, transit, or destination

The sender, recipient, owner of the shipment contents, or any third party entitled to the international express shipment, undertakes to provide accurate and complete information regarding the contents and value of the shipment and agrees not to arrange for or hand over for transportation any prohibited or restricted items

WIRETAPPING DEVICES AND SPECIALIZED EQUIPMENT

Wiretapping devices

Encrypted materials resistant to radio interception

Telecommunications equipment with signal encryption

Detection and location-tracking systems

Sniper scopes and red dot sights

Thermal imaging devices, night vision devices, and GPS trackers

WEAPONS AND AMMUNITION

Firearms

Air guns and cold weapons

Knives, sabers, and nunchucks

Ammunition (bullets, cartridges)

Brass knuckles and stun guns

Paralytic spray canisters

EXPLOSIVE SUBSTANCES AND EXPLOSIVE DEVICES

TNT, gunpowder, and explosive mixtures

Detonators and electric detonators

Detonation cords

Signal flares and smoke signals

Fireworks, firecrackers, and sparklers

Gas canisters (tear gas and toxic gases)

FLAMMABLE SUBSTANCES

Gasoline, gas, and solvents

Paints, varnishes, and adhesives

Perfumes, colognes, and nail polish

Lighters and aerosols

Empty gas containers and gas canisters

Self-igniting substances, mercury samples, magnesium, and metal powders

TOXIC AND HIGHLY HAZARDOUS SUBSTANCES

Nicotine, strychnine, and brucine

Cyanide compounds and cyanide mixtures

Mercury, antifreeze, and ethylene glycol

Formalin and Cyclone

Toxic substances in any state

Highly potent poisons

LABORATORY SUBSTANCES, SPECIAL EQUIPMENT AND DEVICES

Medical equipment

Laboratory equipment

Agricultural sprayers

Batteries containing electrolytes

Chemical substances

Equipment containing thermal paste

RADIOACTIVE AND INFECTIOUS SUBSTANCES

Radioactive materials

Infectious agents and microorganisms

Medical waste and biological samples

Vaccines, prions, and other biological materials

GASES

Gas cylinders (propane, nitrogen, oxygen, etc.)

Aerosols and refill canisters

Lighters

Fire extinguishers

FOOD PRODUCTS

Meat, dairy, and sausage products

Canned goods and products in cans

Cereals, flour, and grains

Beverages, sweets, and other food products

MEDICINAL PRODUCTS

Tablets, capsules, and medicines

Prescription medications

Medicines in bottles, drops, and syrups

Injectable medicines and ampoules

NARCOTIC DRUGS, PSYCHOTROPIC SUBSTANCES, AND PRECURSORS

Cannabis and its derivatives

Narcotic drugs and psychotropic substances

Precursors and their analogues

Substances used for the manufacture of narcotic drugs

ANIMALS AND PLANTS

Live animals and birds

Live plants and seedlings

Shells, corals, and natural specimens

Fur, hides, and animal trophies

HUMAN REMAINS AND BIOLOGICAL MATERIALS

Human remains and skulls

Human organs and tissues

Blood, urine, and other biological samples

DNA tests and genetic samples

SEEDS AND PLANTING MATERIAL

Seeds of agricultural crops

Planting materials, tubers, and bulbs

Seed stock and grain crops

Ornamental plants and cut flowers

READY-MADE ANIMAL FEEDS

Dry pet food

Canned animal food

Feed additives

SOIL SAMPLES

Soil samples

Soil in containers

Soil in test tubes

UNLABELED PRINTED CIRCUIT BOARDS

Unlabeled printed circuit boards

Unsigned boards

Homemade circuit boards

BATTERIES AND DEVICES CONTAINING BATTERIES

Lithium batteries

Power banks (external batteries)

Devices with built-in batteries

CASH, PRECIOUS METALS, STONES, AND SECURITIES

Cash (banknotes and coins)

Precious metals and gemstones

Securities (stocks, bonds, checks, etc.)

ANTIQUES AND WORKS OF ART

Antique items

Paintings, sculptures, and icons

Antique books

EXCISE GOODS

Alcoholic beverages

Tobacco products

Electronic cigarettes and e-liquids

ALCOHOL-CONTAINING PERFUMES AND FLAMMABLE PRODUCTS

Perfumes

Aerosols and sprays

Gel nail polishes and nail polishes

PORNOGRAPHIC MATERIALS AND COUNTERFEIT PRODUCTS

Pornographic materials

Media containing pornographic content

Counterfeit products (fakes)

POACHING EQUIPMENT

Electric fishing systems

Monofilament (fishing line) nets

Hunting traps

UNLABELED CONTAINERS AND VESSELS

Unlabeled canisters

Bottles without content identification

Unlabeled buckets and containers

PERSONAL ITEMS: USED, DIRTY ITEMS, AUTO PARTS, TIRES, LICENSE PLATES

Used clothing in dirty condition

Used auto parts

Tires and license plates

METALS, SCRAP METAL, AND UNTREATED WOOD

Scrap metal and metal cuttings

Rare earth metals, alloys, and powders

Untreated wood

INFORMATION STORAGE DEVICES WITH RESTRICTED ACCESS

Password-protected flash drives

External drives with security protection

DELIVERY ADDRESSES: FOREIGN COURTS, BANKS, POST OFFICE BOXES, ETC.

Foreign courts and institutions

Banks and enforcement authorities

Post office boxes (PO BOX)

OTHER DANGEROUS GOODS

Fertilizers, oilseed meal, dry ice, and asbestos

Pressurized cylinders and gas mixtures

Engines, chainsaws, airbags, etc.

Important International Shipping Conditions

Lithium batteries

Power banks

Individual batteries

Devices with built-in batteries

The transportation of such goods through standard international express services is prohibited and is only possible via **Freight service** upon separate approval
